STANFORD, KY., FRIDAY, NOVEMBER 15, 1907.

NO. 74.

KINGSVILLE.

Thompson & Evans' planing mill is running daily, early and late.

The interior of Daniel Hester's store is a "thing of beauty." He has put in a nice, new line of fancy and staple groceries and in addition will sell soft drinks to a thirsty public.

Mrs. Green Skidmore died Monday night after a brief illness. She is survived by her husband and several small children, who have the sympathy of the community in their bereavement. Mrs. Skidmore was a good woman in every respect.

Rev. W. G. Bradford, of the M. E. church, favored a large audience at the Christian church Sunday evening with one of the finest sermons ever delivered here or, we are tempted to say, elsewhere. His text was from the Third Chapter of St. John: "God so Loved the World;" and his sermon was beautifully delivered. Mr. Bradford is an excellent English scholar, was educated in Boston and given the advantages of several years' study in Europe, and while he is quite assuring in manner he is pleasantly devoid of egotism. He might have been a professor in one of several of the universities but for an affliction, being deficient in hearing. He has, however, accepted a call from the Bishop to fill a pulpit in Kansas City and will leave for that city within the next few days, much to the regret of his friends here.

Mrs. Edmund Murphy has returned home after a visit to her daughter, Mrs. Eva Dishon, at Sloan's Valley, Tenn., and relatives at Somerset. Miss Nan-nie S. Dunn is visiting Mrs. Cora Beagle at Petal, Miss. Mrs. Morris Walls spent a few days in Waynesburg. Virgil Bastin and wife have returned from a visit to Cincinnati and are now the guests of his mother at Science Hill. Mr. Girdler, of Somerset, was here Monday. Wm. Dye came home from Tennessee to spend Sunday with his family. Mrs. Alonzo Rigney has returned to Floyd. F. S. Gooch, of Waynesburg, was here Sunday. Deputy Sheriff Hester was here Saturday and Sunday. Mrs. Ed Carey, who has been very ill, has about recovered, we are glad to state. D. B. Fox, of Bowen, was the guest of his friend, James Engleman, day operator at the tower.

HUBBLE.

James Robinson sold some cattle to Pony Beazley at 4c. Luther Underwood, Kinnaird Bourne and W. H. Underwood sold some hogs to Wm. Lawson at 5c.

Mr. Steve Owsley, of Hazel Patch, has been visiting relatives here. Grover McKechnie, of Lexington, spent Sunday with his homefolks. Mrs. C. C. Sink and son, of Lexington, are with Mrs. A. C. Carman. Mrs. M. G. McClure, of Mintonville, and Mr. Virgil McClure, of Lexington, were guests of Mrs. J. A. Hammond this week. Miss Gertrude Long, of Stanford, is visiting Miss Sallie Anderson. Mr. and Mrs. Arthur McKechnie and son, of Monticello, are guests of Mr. and Mrs. Jas. McKechnie. Mr. Jack Yeakey has rented out his home and will go to Louisville to reside. Mr. Huffman, aged 100 years is with his daughter, Mrs. J. W. Anderson.

Biliousness And Constipation.

"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been to-day had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally."—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by all druggists.

The decrease of 18,600 in the number of pensioners at the end of the fiscal year, 1907, as compared with the year previous, is the feature of the annual report of Pension Commissioner Warner, just issued. This is the greatest decrease in the history of the pension bureau.

A Good Liniment.

When you need a good, reliable liniment try Chamberlain's Pain Balm. It has no superior for sprains and swellings. A piece of flannel slightly dampened with Pain Balm is superior to a plaster for lame back or pains in the side or chest. It also relieves rheumatic pains and makes sleep and rest possible. For sale by all druggists.

The passenger elevator in the McKinley Hotel at Canton, O., dropped four stories and three persons received probably fatal injuries.

Chapped hands are quickly cured by applying Chamberlain's Salve. Price 25c. For sale by all druggists.

CHURCH MATTERS.

Rev. J. W. Fitch, aged 67, is dead at Millersburg.

This country is said to spend \$350,000,000 a year for tobacco and \$5,000,000 for missions.

Service at the Presbyterian church at 10:45 o'clock Sunday morning. Subject: "Does God Send Trouble?"

The Ladies' Aid Society of the Christian church will meet with Miss Alice Beazley Saturday afternoon at 2 o'clock.

Rev. J. L. Yandell will preach at Hall's Gap Baptist church Sunday afternoon at 2 o'clock. All are cordially invited to attend.

All over Kentucky and the South the movement to raise the salaries of preachers is having fine effect; 27 preachers in this State have been raised \$100, \$200 or \$300. In the recent great strike it was developed that in 12 trades the workmen received \$122 per month; the preachers in Kentucky average \$62 50 a month.

The protracted meeting at the Methodist church has been fairly well attended this week. The open session of the Women's Foreign and Home Missionary Societies was quite a success. Audience good, program well rendered, excellent singing and from reports much good was done. Prof. Ireland has charge of the music through the meeting. The meeting is truly a union one. Rev. Barker, the pastor, announces that he will have Revs. Taylor and Yandell preach some next week. He also insists on all the singers of all the churches taking part in the song service. A new song book will be introduced tonight—Young People's Hymnal No. 3. It is said to be a very fine selection of revival songs.

THE PASTOR.

A Frankfort dispatch to the Courier-Journal says that the Republicans are planning to start an evening daily here. We know nothing about it, but trust they will do it. We know of no way that they can get rid of their surplus cash so quickly and so certainly. An experience of three years has convinced us that there is very small pickings for one daily here. The grazing for two would be so short that one would have to soon go the way of most papers started to fill an imaginary want. By all means, start a paper. The more the merrier, but not the most profitable.—Frankfort Journal.

When the stomach, heart or kidney nerves get weak, then these organs always fail. Don't drug the stomach, nor stimulate the heart or kidneys. That is simply a makeshift. Get a prescription known to druggists everywhere as Dr. Shoop's restorative. The restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's restorative—tablets or liquid—and see how quickly help will come. Free sample test sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Penny's Drug Store.

The local money market felt the effect of Tuesday's mayoralty election, when half a million dollars that had been wagered began to circulate, says a Cleveland dispatch. Much of this money has been tied up for several weeks.

A Methodist Minister Recommends Chamberlain's Cough Remedy.

We have used Chamberlain's Cough Remedy in our home for seven years, and it has always proven to be a reliable remedy. We have found that it would do more than the manufacturers claim for it. It is especially good for croup and whooping cough.—Rev. Jas. A. Lewis, pastor Milaca, Minn., M. E. church. Chamberlain's Cough Remedy is sold by all druggists.

"In God We Trust" has been stricken from the coins of the United States. Teddy will have no one before him. Like the Emperor of Germany he evidently thinks that the proper expression is: "Me and God."—Frankfort Journal.

A Significant Prayer.

"May the Lord help you make Bucklen's Arnica Salve known to all," writes J. G. Jenkins, of Chapel Hill, N. C. It quickly took the pain out of a felon for me and cured it in a wonderfully short time." Best on earth for sores, burns and wounds. 25c. at penny's Drug Store.

Estimates of appropriations aggregating \$23,461,911 are made by Gen. Alexander Mackenzie, chief of engineers of the army, for fortification work during the fiscal year 1909.

This Is Worth Remembering.

As no one is immune, every person should remember that Foley's Kidney Cure will cure any case of kidney or bladder trouble that is not beyond the reach of medicine.

A long line of applicants for entry of the Alabama public lands recently thrown open filled the office of the Land Register at Montgomery. In all about 10,000 acres were taken up. These lands were formerly classed mineral, but were recently found to be available under new rules for homestead.

The Sunday-closing laws were enforced in extreme fashion at Nashville by order of Mayor Brown, who threatened the police force with dismissal if it failed to comply. 25 arrests were made, including a wholesale merchant, who was found in his office reading mail. Bootblacks were put out of business. Only soda fountains and cigar stands were allowed to remain open.

Albert Bates was sentenced at Chipewa Falls, Wis., to serve one year in the penitentiary for bigamy. He acknowledged that he had been married often, but thought he had always waited long enough for the preceding wife to get a divorce before he married the next one. He did not inquire about the divorce, but took it for granted that one would be obtained. A sister-in-law, with whom he eloped, was the latest venture in matrimony undertaken by Bates.

He Fought at Gettysburg.

David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: "Electric Bitters have done me more good than any medicine I ever took. For several years I had stomach trouble, and paid out much money for medicine to little purpose, until I began taking Electric Bitters. I would not take \$500 for what they have done for me." Grand tonic for the aged and for female weaknesses: Great alterative and body builder; sure cure for lame back and weak kidneys. Guaranteed by Penny's Drug Store, 50c.

By a unanimous vote the Supreme court of Mississippi held that the expression, "go to h—l," is not profanity. The case was that of Rosa Stafford, a 12-year-old Negro girl, who was convicted in the lower court at Corinth of violating the statute against profanity.

We have secured the agency for Orino Laxative Fruit Syrup, the new laxative that makes the liver lively purifies the breath, cures headache and regulates the digestive organs. Cures chronic constipation. Ask us about it. G. L. Penny.

Thanksgiving preparations will commence here in earnest this week and Tom Gooch, the veteran turkey driver, will collect his first installment, so have them ready.

President F. P. Combest and Cashier George A. Prewitt, of the Commercial Bank of Liberty, were guests of W. G. Cowan. Quite a number of our young people attended the rendition of the "Union Depot" at Liberty Friday evening. They enjoyed the performance very much.

Sam Leeper and wife, who have been living at Southport, Ind., for some time, are here visiting. Grant North, who was appointed clerk in the postoffice at Danville by heading the civil service eligible list, has resigned. He was not able to rent a house at a price he could afford to pay.

At 17 years of age Hardin Walls, formerly of Casey and Lincoln counties, went to Illinois in 1881. He having been in bad health for some months, died on Nov. 1st and was buried in Union Ridge Cemetery, White county, Ill. He leaves a wife and eight children and an insurance policy of \$1,000. Jacob Walls, of the Richards School House section, is his brother. He has many friends throughout this section who will be grieved to learn of his death.

A petition to the fiscal court is being numerous signed asking that body for a small appropriation for the purpose of putting gravel on the stone recently put on the Hustonville and McKinney pike. Ninety-five per cent. of the travel on this pike is done with horse and buggy and half of those are driven by ladies and the stone (supposed to be crushed) is so large that it makes travel miserable as well as dangerous and will always be in this condition unless covered with gravel.

Two physicians, who have been attending Rev. C. W. F. Daniels for some time, notified him that he should go to a dryer climate very soon. His resignation was handed the officers of his church on Sunday last and he will leave with his family about Dec. 1 for California, much to the regret of his numerous friends here. They hope, however, that what is their loss may be his gain and the prayers of his congregation for him and his beloved family and the prayers of other congregations here as well as elsewhere will plead with the Master for his recovery and return.

James R. Keene tells this story illustrative of "high finance."

A Kentucky dandy negotiated a loan of \$10 from a local banker, pledging his mule and cart as security.

"Money is pretty tight," explained the banker, "and I shall have to charge you \$2.50 now for the use of the \$10 for a month."

The dandy consented, signing the papers and half an hour later was found by a friend standing in the road scratching his wool with one hand and looking ruefully at the \$7.50 in the other.

"What's the matter, Sam?" asked his friend.

"Oh, dere ain't nuthin' de matter 'cept I knows I'se right. Dat bank man he done charge me \$2.50 for \$10 for a month. I'se right, sub; fo' if I had ast fo' de \$10 fo' foah months I wouldn't a got nuthin'."

A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by Penny's Drug Store 50c and \$1. Trial bottle free.

John Wilson and Hugh Hughes were run over and killed by a train in Warren county. Both were drinking.

THE Commissioner of Internal Revenue makes the rather startling statement that "the Government is being defrauded of \$1,000,000 annually by dishonest distillers of the South." Such is the statement of the Commissioner. The temptation to frauds is very great when the tax is \$1.10 a gallon on what costs not more than 15 cents a gallon to produce. If the tax was reduced to a moderate rate the inducements to illicit distilling would not be nearly so great, and the revenues from whisky would be enhanced. But there can be none of the frauds of which the Commissioner speaks without the connivance of his own subordinates. With them the investigation should begin.

THE Courier-Journal and other papers republican inclined are keeping up their fight in their effort to beat Gov. Beckham for the U. S. Senate, but they are gnawing a file. He is the democratic nominee for the high office and the democratic Senators and Representatives will elect him. The Courier-Journal is making a greater effort to defeat the governor than its out and out republican contemporary, the Louisville Herald.

"HOG JAW" TAYLOR writes from his haven in Indianapolis that he will return to Kentucky to be tried for complicity in the murder of William Goebel as soon as he is assured of a fair trial. A fair trial is what William Sylvester above all things does not want and what it seems now he will not get.

THE statement is made that American girls have paid three hundred million dollars for the doubtful honor of marrying titled foreigners. They ought to be ashamed of themselves, with so many handsome, healthy and willing souls at home to help them spend their fortunes.

IF Gov. Beckham shall go down in defeat, and we believe such will not be the case, it must be with the nomination the people have given him. In that event those responsible for it will be held to account for perjury to party fealty and be damned to lasting infamy.

IF the prohibition ticket had been elected our dry brothers would have had to hunt around for a new lieutenant governor. Rev. J. D. Hocker, of Owensboro, the nominee for that office, was adjudged a lunatic and is now in the asylum at Hopkinsville.

THAT good democratic paper, the Adair News, has just passed the 10th milestone in its journey. May it pass many more.

POLITICAL.

Kentucky postmasters have been appointed as follows: Evans, Casey county, Sarah C. Hogue.

Representative Langley has recommended the appointment of C. H. Duty as Collector of Internal Revenue at Covington.

The membership of the Virginia Legislature, as determined by the election last week, stands 86 Democrats for 14 Republicans.

James F. Grinstead was sworn in as Mayor of Louisville Tuesday afternoon at 3 o'clock, Circuit Judge Emmet Field administering the oath of office.

William Jennings Bryan was the guest of honor at a banquet on the twenty-first anniversary of the Jefferson Club of Milwaukee, at the Plankinton Hotel.

The proclamation admitting Oklahoma to the family of States of the Union will be issued Saturday by President Roosevelt. The new State will be the forty-sixth in the American Commonwealth.

Former Gov. James E. Campbell, of Ohio, has announced that he is a receptive candidate for United States Senator to succeed Joseph B. Foraker. He thinks the Democratic party has a chance to elect a senator.

Judge Louis E. McComas, of the District Court of Appeals, died suddenly in Washington. He was the former Republican Senator from Maryland. Last summer Judge McComas married Mrs. Upton Muir, of Louisville.

Frankfort Republicans, displeased because the committee of the Business Men's Club appointed to arrange for the inauguration ceremonies was made up of three Democrats and two Republicans, threatened to take matters into their own hands, but the trouble was finally settled by the addition of five Republicans to the committee.

Dr. A. D. James, of Penrod, Congressman from the Third Kentucky district, has come out strongly as a Roosevelt third-turner.

Chairman J. M. Chinn issued a call for a meeting of the State Board of Election Commissioners to be held at Frankfort on November 18. If the returns are all in then the returns will be canvassed, but if the returns are not all in an adjournment will be taken until the next Monday when the returns must be canvassed whether they are all in or not.

Judge S. W. Hager, the recent Democratic nominee for Governor, will not retire from his office of State Auditor until in January. Judge Hager's friends say his administration of the State Auditor's office stamped him as an ideal business man and a splendid executive, and that he will engage in a big business enterprise shortly after his retirement. It is believed that Judge Hager will make his home at Ashland, which is the place of his birth.

Democrats of the Tenth congressional district charge that the loss of that district to the Republicans is due to Hargisism, and say that the voters have been disgusted by the apparent influence of Judge Hargis with high officials. They point to the fact that whereas Breathitt county was formerly Democratic by 800, it was carried by Willson, and that the Tenth district, instead of being certainly Democratic, has gone Republican in the last two elections.

That unrelenting, malignant warfare should be made upon Governor Beckham, Democratic nominee for United States Senator from Kentucky, by Republicans and Republican newspapers, is naturally to be expected; but that the first gun should be fired upon him from the masked batteries of the Courier-Journal, is a shock and surprise to those who recall the famous message of Mr. Watterson: "Make no compromise with Dishonor." Could anything more dishonorable be thought of in politics than a failure of a Democratic General Assembly to honor Gov. Beckham's credentials underwritten by 200,000 loyal Democrats? Should such a high handed outrage be perpetrated by a political party, of whatever name, it would deserve utter extinction. The man who started this infamous proposition is bereft of both reasons and honor. It is worthy of a raving maniac or the chief of hypocrites. It emanated from the putrid mind of a subject that should be held in contempt, if not hatred, by every honorable Democrat in Kentucky.—Somerset Journal.

IN NEIGHBORING COUNTIES.

Rollie Manley was kicked to death by a mule in Bath county.

The Standard Oil Company announced that Somerset crude oil is now quoted at \$1, a cut of 10 cents having been made.

J. F. Catron, a lawyer of Barbourville, has been added to the list of attorneys for the defense in the trial of Caleb Powers for alleged complicity in the assassination of Goebel.

Elijah Miles, considered the oldest man in Kentucky, died at his home near Artemus, Knox county, at the age of 109. Death was due to the infirmities incident to old age.

Camp Catron, son of Postmaster Wm. Catron went to California a few weeks ago prospecting and concluded to try four years of service in Uncle Sam's Navy.—Somerset Journal.

F. P. James, the newly-elected State Auditor, resigned as cashier of the Mercer National Bank, to take effect December 1. Bush W. Allin, who has been teller in the bank, was elected to the cashiership.

Judge Watts Parker, at Lexington, held that under the Constitution a city has not the right to divert funds appropriated for one purpose to another. The decision was delivered in the suit of Henry Duncan against the city of Lexington.

At Somerset while on his way to the State penitentiary from Russell county Peter Duncan swallowed an ounce of carbolic acid there and died within a few minutes. Duncan was 63 years of age and was convicted at the last term of the Circuit Court of the murder of his neighbor, Dave Mann. The jury gave him a sentence of 21 years.

Indigestion

Stomach trouble is but a symptom of, and not itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. With out that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and yellow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend

CARTER CAUGHT.—Chief of Police Jones and Deputy Sheriff Wm. Hester received a phone message from Danville the other night stating that Walter Carter had sawed out of jail at that place and to be on the lookout for him. He was locked up in jail here till Jailer Fitzgerald and Chief of Police Logan Wood, of Danville, came for him. Carter is held for obtaining money under false pretenses.

THE hand of affliction has fallen heavily on Eld. and Mrs. Joseph Severance, formerly of this place but now of Frankfort, and their many friends here sympathize deeply with them. On last Friday Mary Scott, their bright five-year-old daughter, was suddenly taken and on Wednesday Martha, aged nine, was also called hence. Doctors are baffled as to the cause of their sudden taking away. Mr. and Mrs. Will Severance went to Frankfort a few days ago and are giving all the consolation a devoted brother and sister can to the bereaved parents. May He Who does all things well help Mr. and Mrs. Severance in their great distress.

IN an interview with the Frankfort Journal Senator R. L. Hubble talks "hoss sense" as follows: The action of the Democratic primary bound every Democrat to Governor Beckham for United States Senator, and I do not believe that there will be a single one when the time comes for the election, who will endeavor to get away from that primary pledge. This is the time of all times for Democrats to stand together. We are at a crisis in our party and there should be no attempt at reopening of old sores. If we are to accomplish anything we Democrats must stand together in our dark hour. Kentucky is a Democratic State and it won't be long till she will be back in the fold. We will never get her back, however, if an effort is made to start a fight against Beckham in the party. I am for him first, last and all the time and I haven't a doubt in the world but that he will beat his enemies within and without the party."

THIS PLAY PLEASES.—A Dangerous Friend, a stirring five-act melo-drama of city life, opened at Burt's to two large houses. While the situations are cleverly worked out and the villain is most desperate, the lack of shooting is noticeable. The piece is altogether clean, producing alternately laughter and tears, and should attract good houses for the remainder of the week. The story is that of a country girl who is lured to the city by her dangerous friend and there learns that she has been led into a trap. She lives to revenge her betrayer, and by joining with a detective causes the arrest on charges that would fill the ordinary police blotter. Violet Marsden shows her versatility in every act. She is pleasing in every respect and captured her audience from the start. The supporting company is capable. Donald Grey as Jas. Walker, the strategic detective, is especially well received.—Toledo Blade. Don't fail to see "A Dangerous Friend" at Walton's Opera House Friday night, Nov. 22.

IN MEMORIAM.

Mrs. Martha Reynolds, formerly wife of James Hilton, died at her home in Middlesboro Monday, Nov. 4. Her remains were brought to Stanford Tuesday afternoon and interred in Goshen cemetery by the side of her husband, who departed this life six years ago. She leaves six children to mourn the loss of a good and kind mother. Deceased was sick several weeks with a severe case of typhoid fever. When seemingly much better and able to sit up, she took a sudden relapse and lived only a few days. Mrs. Hilton was a hard working woman. No one ever had greater resolution and was more industrious than she. We extend deep sympathy to her bereaved children, but greater do we extend our sympathy to the three little boys at home. How sad it was to return home and no mother there. Home has no cheerfulness, no brightness when mother is gone. Weep not, dear children; mother is resting. Only look away to the distant future. It will not be long until we all must go. Strive to live better lives and closer to God. Then you shall again see dear mother in that beautiful home beyond the skies where no farewells are ever said.

Lingering Cold.

Withstood Other Treatment But Quickly Cured By Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. Urquhart, of Zephyr, Ontario. "My cough was very harsh and dry. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used." This remedy is for sale by all Druggists.

In 1904 there were 2,161,570 miles of public road in the United States, of which 7.14 per cent. had been "improved." Of these improved roads 108,233 miles were surfaced with gravel, 38,622 miles with stone and 6,810 miles with such materials as shells, sand, clay, oil and brick. In the whole country there is 0.73 mile of road per square mile of territory, or one mile of road to every 35 inhabitants and one mile of improved road to 492 inhabitants. In 1904 the expenditure on public roads, including cost of bridges, was \$80,000,000.

A Reliable Remedy For Croup.

Mrs. S. Rosenthal, of Turner, Michigan, says: "We have used Chamberlain's Cough Medicine for ourselves and children for several years and like it very much. I think it is the only remedy for croup and can highly recommend it." For sale by all Druggists.

The attempt to work up interest in the project to build a tunnel across the English channel has failed again. This scheme is brought up every few years and the prospects of its success were greater on the last occasion than ever before.

People's Cure for Stomach Ills

It would be folly to say that a person should always be his own doctor. There are times when one cannot be too quick in consulting a competent and reliable physician, but the fact does remain that there are many ailments that can be cured at home at very little expense. Such remedies can be bought at any first-class drug store for a small sum.

Among the diseases that can be effectively treated at home are such as: pertains to the stomach, liver and bowels, like constipation, dyspepsia, biliousness, flatulency, sour stomach, bloated stomach, sick headaches, heartburn, etc. For these troubles there is no better remedy than Dr. Caldwell's Syrup Pepsin, the great herb laxative compound, and among its staunchest friends are the doctors themselves. In such troubles they know they have nothing better to offer than the invincible medicine contained in this remedy, and hence the liberal ones advise their patients to take it. It often happens that at the commencement of an attack some people hesitate to take such a simple remedy, and run to a doctor, but after trying various doctors they finally take Dr. Caldwell's Syrup Pepsin and have their confidence rewarded by a cure. A good case in point is that of Mr. Herrin, of Lawrenceville, Ill., who suffered from what the doctors called catarrh of the stomach. He was given up to die by three leading physicians. He had no appetite, couldn't digest what little he did eat, had severe pains in the stomach, and finally, moments when he himself thought he would die. Ultimately he was advised to try Dr. Caldwell's Syrup Pepsin and did so, and now he is entirely cured and has gained 35 pounds. He naturally advises all sufferers from weak stomach to use it. Who Makes XTRAGOOD

WE always like to know all we can about the makers who produce the clothes we offer you; and we'd like you to know about them too.

One of the main reasons we sell XTRAGOOD is the fact that they are made by Ederheimer, Stein & Co., Chicago, in the most modern and remarkable tailor shops ever built; in large, light, airy, clean buildings specially erected and fitted for making clothes better and different than others have done or are doing.

Beside the longer wear your boy will get out of XTRAGOOD, the better appearance and more perfect fit that you'll appreciate, it's an advantage to know they're clean and wholesome, as well as most durable, reliable, honest, economical.

The Best Boy's Overcoat is an XTRAGOOD. Ages 7 to 17. Prices \$5 to \$12.
